Zoning Administrator provided an update on out standing projects:

We still have the stop work order on for the Kasten fill project but there has been no progress on that. His neighbor called me with concerns that there has been not progress and I explained that the stop work order is still in place and will remain in effect until he provides a suitable soil erosion plan.

Planning Commission expressed concern with keeping our ordinance up to dated, especially in relation to the latest updates to the Houston County ordinance. Zoning Administrator agreed to research the ability to compare the two documents with a computer.

Motion to adjourn by Wayne, 2nd by Curt at 7:15 PM

Respectfully submitted

Larry Hafner

Zoning Administrator
