Bob provided information about an issue with a residence at 745 4TH ST N

The city of La Crescent attorney sent to our attorney, and subsequently sent to Chairman Cummings and Zoning Administrator (ZA) Hafner, a request that the Township take corrective action to ensure the house is not a threat to the public. ZA provided computer pictures that the City had included with their letter and pictures that ZA and Chairman Cummings took of the house. Chairman Cummings indicated that there also may be an abounded cistern with a unsafe cover. He also contacted state social services about the situation and they indicated that they will contact the resident and/or Houston County social Services.

The house is in need of major repair, the septic appears to be running over, and they have unregistered vehicles.

Motion to adjourn by Wayne, 2nd by Curt at 7:44 PM

Respectfully submitted

Larry Hafner
Zoning Administrator
La Crescent Township
