Zoning Administrator provided information on two board of adjustment meetings

Wieser request for variances
Star and Cross Group variance

Townboard supervisors attended to participate in a process for updating our ordinance by comparing it with the current county ordinance so our ordinance will be more current and insure compliance with the requirement to not be more lenient than the County Ordinance

Zoning Administrator provided a file that compares the detail for both ordinances and it is the committee members determine which verbiage to accept or reject.

This has turned out to be a very tedious and time consuming progress; we have yet to schedule a follow-up meeting.

Motion to adjourn by Mark, 2nd by Bob at 9:00 PM

Respectfully submitted

Larry Hafner
Zoning Administrator
