ZA presented an application from Sunrise Energy Ventures for a permit to install a solar energy collection system. They had previously submitted an application to construct an energy collection system in a different location but that was rejected because it was to be located in a protected Bluff Land. ZA is scheduling a public meeting to review their request for a Interim use. The public meeting will be held on July 3rd 2017 at the La Crescent Community Center 7/5/2017

Chairman Oliver suspended the monthly PC meeting so that the public meeting that was noticed for 7:15 PM could be held. The public meeting was to consider a request from Al's Concrete Products for an Interim Use to develop additional surface storage. Reference Special
