Zoning Administrator (ZA) provided an update on the progress with the property at 2520 CR6 removing the unlicensed vehicles on his property. He is making a good faith effort to get them removed or stored inside a building. As of Tuesday morning 11/05/2014 all of the vehicles had been removed except for two, one of which was going to be towed that day and the other was going to go into a garage that it was sitting directly in front of.

The burned out trailer has been cleaned out and is ready for removal or demolition, with anticipation of compliance by the dead line of March 31, 2015.

ZA updated committee that Ready permit to fill on his property has been issued.

Discussion regarding the proposed property annexation by the city of La Crescent

Motion to adjourn by Wayne, 2nd by Curt at 7:15 PM

Respectfully submitted

Larry Hafner

Zoning Administrator
