11. Supervisors Report:

- Jason submitted the bill from GAK Diversified for switching the dump box and plow between the two trucks.
- Jason advised Bluff Dr will need the most road work. There is a culvert that needs to be cleaned out and there are washouts on both sides of Bluff Dr. By Michalke's house there is an eight-foot trench with stakes holding part of it concrete or rocks and the other part is valley that goes down about 2 and half three feet. It's just like a trench where there is a culvert to another culvert that is falling apart. We can look at filling it in and put a piece of culvert on with a manhole there with a grate on it. Following discussion board decided to talk with the homeowner, look at cost and visit the site.
- Jason reported Bennetts did tree trimming on Town Hall Road and Circle Dr.
- Shawn questioned if anyone had a chance to look at Orchard Run yet.
- Roy had a complaint on someone not mowing their backyard on Cornforth Rd.
